We bring God glory by telling others about him. God doesn't want his love and purposes kept a secret. Once we know the truth, he expects us to share it with others. This is a great privilege introducing others to Jesus, helping them discover their purpose, and preparing them for their destiny. The Bible says, "As God's grace brings more and more people to Christ,...God will receive more and more glory." II Cor. 4:19

THE CALLING

The kind of work God usually calls You to is the kind of work that
[a] you need most to do, and [b] the world most needs to have done.
The place God calls you To is the place where your deep gladness
And the world's deep hunger meet.

Let us give abundant thanks and praise to God, that while we solemnly celebrate the day of our Lord's resurrection, He may be pleased to bestow on us quiet peace and special gladness; so that being protected from morning to night by His favoring mercy, we may rejoice in the gift of our Redeemer.
